- **A student will not be admitted to a semester exam unless the family's tuition account is current.**
- Students who find a problem with their schedule (e.g., two exams scheduled at the same time) must confer before the end of March to arrange a special test-taking time for one of the exams.
- If a student has an *excused* absence during an exam, the family must notify the Academic Vice Principal (831-724-5933, x203; suarez@stfrancishigh.net) no later than 8 AM the same day. The test(s) must be made up before graduation in order for the student to receive a diploma at the ceremony.
- If a student has an *unexcused* absence during an exam, s/he will receive a grade of zero for the exam.
- Students need to bring necessary materials (e.g. pens, pencils, erasers, etc.). Check beforehand with the teacher as to which supplies are needed.
- Once students are done with the 8:00-9:30 AM exam, they are to remain in the room unless it is his/her last exam of that day (in which case, the student should go home at 9:30 AM).
- Once students are done with 10:00-11:30 AM exam, they may leave campus.
- During their time off, students are reminded not to visit other campuses which are in session, nor to disturb other classes in session at St. Francis.
- *Cell phones must **not** be brought into the testing area!*
- As always, cheating will be treated with significant consequences. Be honest—prepare and do your best!
- Students will wear the school uniform during testing days.
