**St. Francis Department of Performing Arts Presents:  
“Hard Candy” and “Sure Thing”**

**Friday, May 14, 2010**

**8:00 PM**

**Watsonville Women’s Club**

**12 Brennan Street, Watsonville**

**Everyone welcome!**

Under the direction of Mr. Dan Dewig, St. Francis Drama Department presents *Hard Candy* by Jonathan Rand and *Sure Thing* by David Ives. In *Hard Candy*, job applicants at Banff Enterprises will do anything to claw their way up the corrupt corporate ladder. In a series of interviews, the applicants and executives both show why working at Banff is not a healthy enterprise.

What if you could erase & rewind a moment in time? What if that moment meant having a second chance at making a good first impression? In *Sure Thing*, two “twenty-somethings” will have a chance to do just that. Will they have enough chances to get it right?

**Tickets are \$5 each, for sale at the door.**

### **St. Francis Legacy Book**

With designs of establishing a lasting testament to his/her days here at St. Francis, each senior is encouraged to construct a "legacy page," to be included in the St. Francis Legacy Book. The Legacy Book is designed to capture the memorable moments during a student's time here at St. Francis. Ms. Heidi Alonzo will be educating the seniors as to appropriate materials for inclusion on a legacy page, and seniors will be constructing theirs during May. The school reserves the right to exclude from the Legacy Book any legacy pages containing inappropriate materials or not in keeping with the guidelines as described by Ms. Alonzo.

The Legacy Book is designed to spur fond memories when, years hence, it will be presented at alumni gatherings.
