ST. FRANCIS HIGH SCHOOL

Salesian College Preparatory

Application for Tuition Assistance Program For the 2023-2024 School Year

This application form for the Tuition Assistance Program is designed to help you analyze your ability to pay for a premiere private, Catholic, college-prep education. This tool assists you with the planning and budgeting for what your family can pay toward the actual cost of your student's education. It will also be used to aid the school in determining the assistance offered (if any), based on demonstrated need on behalf of the student and on availability of aid. Please follow the process carefully so that St. Francis High School can effectively assess the need of your family.

The amount of an individual's assistance will be determined by these factors:

- (1) level of demonstrated need on behalf of the student and
- (2) total assistance funds available for the 2023-2024 academic school year.

Total assistance funds available for a particular school year are dependent on overall budgetary considerations and the availability of the school's scholarship outreach efforts. As a result, a particular award extended on behalf of the student may not meet the estimated need as determined by a student's family or the demonstrated need as established by the FACTS analysis. The amount of a particular award may differ from year to year without a significant change in the demonstrated need on behalf of the student.

Other factors that determine tuition assistance are:

- (1) Previous payment record; your family's ability to stay current with tuition payments (if applicable).
- (2) Record of parent/guardian support of school projects (e.g., Bingo, Parent Work Day, etc.). An award may be revoked or reduced in the event that a parent/guardian is unwilling or unable to assist the school when asked to provide reasonable assistance to school projects.
- (3) Continuing academic success of the student. A student whose grade point average falls below a 2.0 GPA may have his/her award revoked or reduced.
- (4) A continuing record of acceptable behavior and conduct by the student. A student who is suspended or placed on Disciplinary Probation may have his/her award revoked or reduced.

Important: An application must be submitted each year for consideration for the upcoming year.

The Bingo Program is essential in funding The Tuition Assistance Program for students. Parents whose children are receiving need-based tuition assistance or merit-based tuition assistance are required to participate by working full shifts in the Bingo Program between July 1, 2023 to June 30, 2024. Failure to work these full shifts will result in the tuition assistance award being revoked.

APPLICATION FORM

The application process must be completed by Friday, February 3, 2023. Any incomplete applications or completed applications received after February 6, 2023 will be given secondary consideration.

Please make sure that all items are submitted to the appropriate organization as outlined on the accompanying checklist.

This application is not complete until:

- (1) all items on the checklist have been submitted, and
